Happy November Everyone! As we embrace the crisp fall weather, we're excited to celebrate a significant milestone in the Rapid Summerhill project. This month, we're proud to announce the first pouring of our station platforms, marking a major milestone in the project. You can already see these platforms, under construction, along Hank Aaron Drive near Center Parc Stadium, and we're moving north toward the Olympic Rings!

Our team is more committed than ever to keeping the community informed and engaged as we continue making progress. In addition to focusing on the infrastructure work, we've been actively reaching out to local neighborhood associations and hosting events for students and community members to provide updates and answer questions.

We're still working closely with utility agencies and the City of Atlanta to finalize the details for the shallow utility work along Hank Aaron Drive, specifically between Ormond Street and Ridge Avenue. While we're finalizing the new schedule, we appreciate your patience and understanding, and we'll share the updated information with you soon. Thank you for your continued support, and stay tuned for more updates as we keep moving forward!

Construction Impacts:

As construction ramps up on the Rapid Summerhill project, we want to make sure everyone stays informed about the latest updates, including potential impacts to traffic. Beginning in the coming weeks, construction activity will cause periodic lane reductions along key streets in downtown Atlanta. Specifically, **there will be times when travel lanes along MLK Jr. Drive will be reduced to just one lane, and Mitchell Street SW will see travel lanes reduced to two lanes.** We encourage you to plan accordingly, as these lane closures may cause some delays. Continue to monitor our website at itsmarta.com/summerhill for posted traffic and detour plans.

Bus Stop Impacts

RIDER ALERT

Several bus stops along Route 55 will be impacted by the construction of MARTA Rapid Summerhill. Bus stops that are covered with a red bag or are missing are temporarily closed due to construction and will not be served. If your bus stop is closed, please use the nearest open bus stop.

Several existing bus stops along the corridor will be intermittently impacted by construction. Please refer to the rider alert above for more information on how to identify open or closed bus stops. If you are in need of assistance at bus stops, [please contact the Customer Service number printed on the bus stop closed bags at \(404\) 848-5000](tel:(404)848-5000), visit MARTA's [Plan a Trip web page](http://www.itsmarta.com/plan-a-trip), or download the MARTA On the Go app. For information about MARTA's ADA complementary paratransit service, visit the [MARTA Mobility web page](http://www.itsmarta.com/mobility) or call (404) 848-4037.

On-Street Parking Impacts:

On street parking between Crumley Street and Glenn Street will be closed during the next phase of construction as the team continues to prepare for future BRT station installations and road widening. All drivers along the route should adhere to posted signage such as the 'No Street Parking' sign below. **Any vehicles that obscure construction activity will be towed at the owners expense.** Parking in this area will be accessible for patrons at the deck attached to Publix.

Come SEE MARTA:

The Rapid Response Team will be at Atlanta Streets Alive on Sunday, November 17th. Stop by the MARTA booth at the intersection of Hank Aaron Drive and Georgia Avenue to hear more about the construction updates directly from the Rapid Response Team, pick a prize to take home and learn about the other projects coming to MARTA.

Find Us in the Community:

The project team will be at the following events over the next month to hear from the community or share more information about Rapid Summerhill. If you would like the team to join your community event, please reach out with the details of your event to RapidSummerhill@itsmarta.com.

- 11/4/24: South Atlanta Civic League
- 11/4/24: Organized Neighbors of Summerhill
- 11/13/24: NPU-V
- 11/17/24: Atlanta Streets Alive
